To Make a Difference.....

FCE provides an opportunity to make a difference in the lives of families in your community. It also provides you, as a member with a group of people you can share experiences, talents, and information with.

To Learn ...

Ever wonder if the things you read are true? FCE provides research based information through the University of Tennessee Extension. Experience learning with friends as you share what you know at hands-on workshops and meetings.

Topics like:

- ◆ Human Development
- ◆ Nutrition and Food Safety
- ◆ Money Management
- Family Economics
- ◆ Health and Safety

To Lead...

Leadership development is a focus of FCE. Through shared opportunities, you can learn skills helpful in bringing growth to your community, church, lo-cal government and family. Yes, lead-ership skills can be learned. FCE offers learning opportunities as officers, pro-gram leaders and service stewards. Together we build better lives for indi-viduals, families and communities. An example of leadership service is our long history of teaching 4-H youth.

To Promote....

To promote projects which enhance family and community life. Through our rich history, we have grown from small community clubs to a worldwide network focused on growth through education. You may recognize some of our earlier names, which were Home Demonstra-tion Clubs and Extension Homemakers.

To Grow and Share ...

The focus of our national program includes improving literacy for children and adults, practicing environmental stewardship, promoting healthy lifestyles and role modeling ethical values.
