

NOON – NOVEMBER 9, 2024

INTRODUCTION TO RAIN GARDENS

MG RC VICKIE MAY

CUMBERLAND COUNTY MASTER GARDENER

Introduction to Rain Gardens: Explore the benefits of incorporating a rain garden into your landscape. Understand the entire process, from selecting an appropriate site and testing its suitability to excavation, plant selection, mulching, and ultimately enjoying your garden.

WHAT IS LUNCH & LEARN

The classes are short one-hour educational, lively discussions, delivered by the Master Gardeners of Roane County or other expert guests.

Topics vary from month to month based upon the latest hot research tips, requests from the community, and seasonal relevance. Sessions are held at noon at the Extension Office, on the second Saturday of each month. Classes are free and open to the public. Bring a sack lunch if you wish.
